REALIZE YOUR INNER BEAUTY

HIGH CONCENTRATION OF ACTIVE INGREDIENTS
INNOVATIVE | UNIQUE

GLOW INSIDE-OUT AND OWN YOUR CONFIDENCE ALONG THE BEAUTY JOURNEY!

The Beauty Journey encourages you and your clients to combine great skin care, effective rejuvenation, and superb facial contouring to enhance their natural beauty. By promoting the Beauty Journey circle in your clinic, you are offering clients the full package.

WHAT IS THE SECRET OF THE REVITALIZE SUCCESS?

- The 8 different serum cocktails are compatible with most cosmetic and aesthetic protocols and equipment
- Immediate spectacular results can be achieved through their natural and balanced cocktails ingredients
- Various skin irregularities can be solved (scars, acne and dark spots)
- Unique innovation at your fingertips to enhance treatment results
- Most of the serums can be mixed to tailor treatments to your client's individual requirements
- Color codes make choosing the right serums easy
- Lovable design with powerful messages
- Our success comes from YOU - Innovation based on feedback from **Revitalize** experts

MY MED AESTHETICS IS DEDICATED TO ELEVATING YOU AND YOUR BUSINESS!

Medical aesthetics professionals, doctors and beauticians around the world offer you the most innovative products with the mission to see more beauty around us. We are devoted to reaching out to the best beauty artists that are feeling the call to grow together while helping people in slow aging with humility and harmony.

COCKTAILS. A MIX FOR EVERY SCENARIO

The award-winning Revitalize serums on their own give exceptional results, but in order to maximize the outcome according to your patient's skin and needs, you can create serum cocktails. It's quick and easy to do and gives you the opportunity to offer your patients truly magical results.

Combination	Vials/ampules used	Indication
Hair Rejuvenation cocktail	1 amp. Booster : 1 vial Hair	Diffuse hair loss, hair thinning, baldness
Scar Remover cocktail	2 amp. Booster : 1 vial Pure	Scars (acne scars, surgical scars, scars after injury) and active acne
Super-Vitalizer cocktail	1 vial Pure : 1 vial Vitamins	For tired, dull, lifeless, grey, skin that has lost its glow
Slimmer cocktail	1 vial Slim : 1 vial Body	Fat reduction and toning, tightening at the same time (arms, abdomen, buttocks double chin)
Tightening cocktail	1 vial Pure : 1 vial Body	Hydration and toning for a face that is slightly wrinkled and has lost its tone in the process
Illuminating cocktail	1 vial Pure : 1 vial Bright Skin	It hydrates and lightens at the same time in cases where hyperpigmentation has occurred
Vita-Light cocktail	1 vial Vitamins : 1 vial Bright Skin	Removes skin spots and nourishes the skin at the same time
Body-Vitalizer cocktail	1 vial Vitamins : 1 vial Body	Tightens skin with the addition of a nourishing effect

BOOSTER. UNIQUE REGENERATION

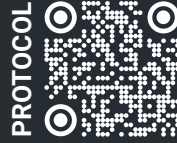

Revitalize Booster is an Epidermal Growth Factor of the last generation, composed of 53 amino- acids widely present in the skin.

Indication: It promotes dermal repair increasing its self-regeneration.

**BOOSTER IS NOT INJECTABLE.
ALWAYS MIX WITH PURE OR HAIR.**

Contents:

- Epidermal Growth Factor (EGF)

PROTOCOL

4X1ML

ESSENCE. IMMEDIATE AND LONG-LASTING

Revitalize Essence is the future of mesotherapy. It has an optimized potential to hydrate the tissues with added cross-link technology to give much longer-lasting results.

Indication: Restores elasticity and promotes longer-lasting hydration.

NEVER MIX WITH ANY OTHER SERUM.

Contents:

- Sodium Hyaluronate Crosspolymer - 52,5 mg/vial
- Sodium Acetylated Hyaluronate - 6,5 mg/vial
- Hydrolyzed Sodium Hyaluronate - 1 mg/vial
- Sodium Hyaluronate - 5 mg/vial

PROTOCOL

2X5ML

PURE. THE EXPERT IN SKIN IMPERFECTION

Revitalize Pure's unique formulation has the perfect balance of collagen and non-crosslinked hyaluronic acid. Revitalize Pure can be used for stretch marks, acne marks, scarring and other skin imperfections.

Indication: For all skin that needs to regenerate in texture and tone.

Contents:

- Sodium Hyaluronate - 60 mg/vial
- Hydrolyzed Collagen - 5%

PROTOCOL

5X5ML

VITAMINS. NOURISH THE SKIN FROM WITHIN

Revitalize Vitamins has a special formula composed of 69 essential nutrients. Bring back the skin's beauty and maintain it.

Indication: Revitalizing and illuminating.

Contents:

- Glutathione
- Niacinamide
- Vitamin C
- Proline
- Biotin
- Folic Acid
- Riboflavin
- Glycine
- HA - 25 mg/vial
- Leucine
- Glutamine
- Aspartic Acid
- Arginine HCL

PROTOCOL

5X5ML

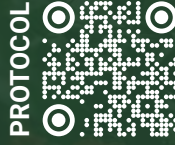

BODY. TIGHTENS SAGGING SKIN

Revitalize Body's formula is composed of organic compounds, DMAE and Dexpanthenol, proven to reaffirm and restore the collagen fibers that support the skin, re-shaping them and removing the sagging effect to combat flaccidity.

Indication: Flaccidity, striae, stretch marks, post laser and post peeling.

Contents:

- Dimethylaminoethanol Tartrate - 0,5%
- Dexpanthenol - 1%
- Methylsilanol Mannuronate - 0,05%

PROTOCOL

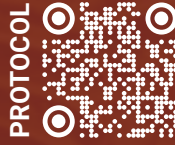

HAIR. STRENGTHENING HAIR MATRIX

Revitalize Hair takes effect at a dermal level on the fibroblasts situated next to the follicle bulbs optimizing the development of a healthy hair matrix.

Indication: Nourishing the scalp and promoting hair growth.

Contents:

- Biotin
- Caffeine
- Panthenol
- Ginkgo Biloba
- Hyaluronic Acid
- Propylene Glycol
- Glutamine
- Glicine
- Arginine HCl
- Hydroxypropyl methylcellulose
- DHQC
- EGCG

PROTOCOL

SLIM. TARGETED FAT REDUCTION

Revitalize Slim's lipolytic and anti-cellulite formula comprises an insulin-like growth factor, phosphatidylcholine, sodium deoxycholate, carnitine and trace elements.

Indication: Localized fat accumulation on the tummy, back of the arm, double chin and legs.

Contents:

- Phosphatidylcholine - 3%
- Sodium Deoxycholate - 2%
- Carnitine
- Insulin like growth factor

PROTOCOL

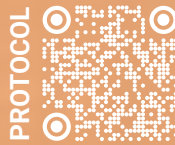

BRIGHT SKIN. LIGHTENING HYPERPIGMENTATION

Mesotherapy treatments allow practitioners to reach the lower layers of the skin where pigmentation lies. Using **Revitalize Bright Skin** serum in combination with specialized devices will increase the freshness and glow of the skin.

Indication: Lighten skin tone and reduce pigmentation spots.

Contents:

- Kojic Acid - 0,9%
- PEG-35 Castor Oil - 0,4%
- Glycyrrhiza Glabra Root Extract - 0,3%
- Aspergillus Ferment
- Retinol
- Salicylic Acid
- Hyaluronic acid
- Morus Alba
- Tocopherol

PROTOCOL
