

EXOSOME.

PLANT-DERIVED EXOSOMES
- DEEPER THAN EVER

Indication:

Revitalize Exosome is indicated for dehydrated, low-elasticity skin that needs deeper regeneration – it restores hydration and collagen production and helps firm sagging skin. Plant-derived exosomes also enhance cellular communication and repair, supporting post-procedure renewal and barrier reinforcement. (Use on face, neck, hands, décolletage, scalp or body areas as needed.)

Professional application:

Apply to face, neck, décolletage and hands using device-assisted techniques such as microneedling or electroporation. Using the Revitalize Pen may speed up visible results.

Treatment plan:

Treatment: 1 session every 15 days, 6–8 sessions (according to results)
Maintenance: 1 session every 60 days

Contents (INCI):

Aqua, Glycerin, Crocus Sativus Callus Extracellular Vesicles, Olea Europaea Callus Extracellular Vesicles, Sodium Hyaluronate, Sodium Chloride, Sodium Hydroxide, Phenoxyethanol, Ethylhexylglycerin.

Packaging:

2 vials, 5 ml each.

Formula highlights:

Harnessing Crocus Sativus (Saffron) and Olea Europaea (Olive) cell cultures, the extracellular vesicles (exosomes) act as natural carriers of regenerative signals.

- **Saffron-derived exosomes** support deep repair signaling and help promote a firmer, smoother-looking appearance.
- **Olive-derived exosomes** support regeneration signaling and help improve the look of photodamage and elasticity.

Each 5 ml vial contains approximately 450 million exosomes (based on a 0.6% suspension concentration).

EXOSOME PROTOCOL

1

Prepare & Cleanse

Follow "Universal Preparation & Cleansing".

2

Dose & Split

Follow "Dose Guide & Split Rule"
(1.0 ml per 10 × 10 cm; split into first half / second half).

Amount of solution:
1ml per 10 x 10 cm

3

Topical placement

- Deposit droplets onto the treatment area.
- Spread evenly using a cotton bud or a sterile gloved finger.

4

Application

- **PASS 1 (FIRST HALF):**
 - » Face: 0.25–1.5 mm
 - » Body (if applicable): 2.0–2.5 mm
 - » Speed: fast (as tolerated)
 - » Pattern: vertical + horizontal lines
- **PASS 2 (SECOND HALF):**
 - » Reduce depth and speed to 50% (medium)
 - » Pattern: circular motion

Depth:
Face: 0.25-1.5 mm
Body: 2-2.5 mm
Speed: fast

Depth: reduce by 50%
Speed: medium

5

Aftercare

Follow "Universal Aftercare" (high SPF recommended).
